Bursar

The Office of the Bursar/Cashier serves as the primary unit for managing student financial account information. The office operates under two major principles—providing excellent customer service and maintaining fiscal responsibility to the University.

Mission

Our mission is to provide quality service to our students, parents, alumni and the University community in a professional and courteous manner, while maintaining the highest possible standards of accuracy in the administration of the finances for Kentucky State University.

Vision

We will be recognized as an organization that operates with professional integrity and provides prompt and accurate information and customer service, utilizing advanced technology.
