

**KENTUCKY STATE
UNIVERSITY**

PHYSICS MINOR

A minor in Physics requires the completion of at least 19 semester credit hours. Specific course requirements include:

Code	Title	Hours
PHY 211	General Physics I	5
PHY 212	General Physics II	5
Select nine credit hours ¹		9
Total Hours		19

¹ With approval of physics area faculty, students may choose any 300-level physics or closely related discipline courses to complete the minor.
