The College of Agriculture, Health Sciences, and Natural Resources (CAHNR) works to uphold the land grant mission of the University through its commitment to agricultural research, cooperative extension, and teaching in the food and agricultural sciences. The CAHNR includes the

School of Nursing and Health (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-nursing/>) Sciences (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-nursing/>)

School of Agriculture (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-agriculture-natural-resources/>) and Natural Resources (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-agriculture-natural-resources/>)

School of A (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-aquaculture-aquatic-sciences/>)quaculture and Aquatic Sciences (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/school-aquaculture-aquatic-sciences/>)

Department of Biological and Physical Sciences (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/department-biological-physical-sciences/>)

Department of Health Sciences (<https://kysu-public.courseleaf.com/undergraduate/college-agriculture-health-sciences-and-natural-resources/department-health-sciences/>)

Kentucky State University's Land Grant Program strengthens underserved communities, families, farmers, individuals and youth to improve their quality of life with state-of-the-art, research-based educational programs. The agricultural research and cooperative extension programs work to resolve agricultural, educational, economic, and social problems of the people of the Commonwealth of Kentucky, especially limited-resource persons and families. The various programs of the college are supported by federal, state, and corporate funds.
