

**KENTUCKY STATE
UNIVERSITY**

CERTIFICATE IN HUMAN HEALTH AND NUTRITION

The world faces important nutrition and wellness issues as society manages global food challenges as well as community health issues. The **Certificate in Human Health and Nutrition** is an undergraduate, career-focused educational opportunity that prepares learners from all backgrounds for careers that focus on nutrition in the context of community education and human health. According to the U.S. Bureau of Labor Statistics, employment of agricultural and food experts is projected to grow 5% to 7% by 2024.

All of these 12 hours are required:
