

**KENTUCKY STATE
UNIVERSITY**

UNIVERSITY ORIENTATION (UNV) INACTIVE

UNV 101: University Orientation

This course is designed to help students make a smooth transition (academic and social) to University life. The mechanics of the academic process, the resources and facilities available to them, and the environment in which they can develop new friendships and enjoy new experiences are addressed; a service learning component is required.

Credit Hours: 2

Contact Hours: 2

UNV 102: KSU Orientation

This course is designed to help students make a smooth transition as they assume their roles and responsibilities as students at Kentucky State University. Emphasis will be placed on helping student improve their success strategies in order to adjust successfully to the University's rigorous academic environment. The topic covered will include the wide variety of campus resources and services that are available to help student meet their academic, social, financial, and personal needs.
